

[MEET THE EXPERT]

IMPLANTS

Materials and Surface Technology for Implants

[MEET THE EXPERT] Implants is taking place for the tenth time in 2019 and is the well-known event for the implant industry in Europe. The proven concept of this one-day conference is designed equally for manufacturers of implants, suppliers and service providers, as well as for universities and institutes. The program includes keynote lectures, short presentations, a tabletop exhibition and possibilities for discussions and networking. We invite you to submit a presentation or to book a space at the exhibition.

Tuesday, 19th March 2019

Venue

Arte Konferenzzhotel
Riggenbachstrasse 10
4600 Olten / Switzerland

Information and registration

Main organizer

Testing · Research · Consulting

www.rms-foundation.ch

Call for Abstracts

We invite you to submit abstracts for short presentations of 15 minutes on novel aspects of materials and surface technologies for implants. We would welcome presentations relating to research, development, process optimization and regulatory aspects. The lecture language is English.

Abstract submissions (150 to 200 words) will be accepted until 16th December 2018 at www.rms-foundation.ch/meet

Conference abstracts will be published online following the event. Presenters must submit their abstract (1 page according to the predefined template) until 10th February 2019.

Should too many submissions be received, the organizers reserve the right to admit poster presentations instead of talks.

Tabletop Exhibition

Spaces are available for exhibitors at the tabletop exhibition (CHF 800 excl. VAT; includes the registration fee for one person). Tables can be booked at the same time as conference registration.
